The Club offers 36 holes of championship golf, bowls, four-star accommodation and a clubhouse that can accommodate members, guests and functions up to 250 people.

A BRIEF HISTORY

Our original members were the people behind the building of the golf course that is now known as Rosebud Public which was opened in 1956.

The mixing of a private golf club with a public golf course did not work out, but undeterred by this slight setback, the private members then decided to build their own new course.

After extensive investigation the current site was selected. It had been a pine plantation that was damaged by fire and then cleared. The 184 acres that was to become the North Course were purchased in 1962. As there was little money available, many members donated time, materials and money to see their dream realised.

The first nine holes opened in February 1964, with the second nine holes following just over a year later.

A parcel of 93 acres of land was purchased in 1970 for

the South Course. The construction of the course was completed within two years to provide 36 exceptional holes. Further work and investment has created the wonderful golfing test that may be enjoyed today.

The off-course facilities are no less impressive, with the current main clubhouse having opened in 1998. This spacious and well-appointed building provides a haven for members and their guests with a luxurious setting for dining and functions of all kinds.

Since 1962 our members have worked hard to build our Club to the magnificent standard it is today. It is thanks to their efforts that we are able to enjoy the facilities, friendliness and culture that is Rosebud Country Club.

OUR COURSES

Any club is only as good as its course and Rosebud Country Club is extremely fortunate that it has two real gems that will delight everyone from the experienced golf professional to the casual player.

The North Course stretches to 6,160 metres off the men's blue tees, playing to a par of 71 and with a Scratch Rating of 72.9. Ladies benefit from an extra shot on the 17th, the toughest hole on the course for the men.

The South Course measures 5,974 metres off the men's blue tees, playing to a par of 72 for both sexes and with a Scratch Rating of 71.9 for the men.

Some may find the South Course fractionally easier, though there is little to separate the two and both thrill members and first-time visitors with their golfing challenge and immaculate appearance. The Club has access to a constant supply of recycled water, thereby ensuring the high quality year-round presentation of our courses.

The beauty of the design of our layouts means that it is very easy to combine any two sets of nine holes seamlessly, meaning the Club is able to offer in effect four different sets of 18 holes, something that it frequently does.

Our course has hosted major events, including the PGA Championship and final qualifying for the Australian Open. Play here once and you will want to come back again and again.

GOLF SHOP

Located at the entrance to the Club, the Golf Shop at Rosebud Country Club is the first point of call for all golfers.

Our dedicated team are on hand seven days a week to help golfers enjoy their game to the full. With knowledgeable, friendly and helpful staff, customers receive the highest level of professional advice.

The Golf Shop offers a wide range of products which include clubs, balls, fashionable clothing, shoes, gloves, buggies, bags and much more, in fact just about everything you would need to enjoy a day out on the course.

Carts and pull buggies are available to hire for those wishing to save their energy for golf. A fast and efficient club repair service is also available.

For all golf equipment including irons and drivers, please visit our Teaching Professional Matt Bolton at the Rosebud Country Club Teaching Academy which is located on our Practice Range.

GAME IMPROVEMENT

There is nothing more frustrating to the passionate golfer than struggling with their game on a great course, but it need not be that way. Book a lesson with our dedicated Teaching Professional Matt Bolton and transform your game and your golfing outlook.

Matt started as a talented junior at Rosebud Country Club and is a friendly and approachable face known to all of our members. His teaching is uncomplicated, easy to understand and, best of all, it gets results time after time.

Through Bolton Performance Golf, Matt offers courses aimed at specific groups of beginner, intermediate and advanced golfers. He is also committed to growing the game, offering popular Learn to Golf courses, a structured program ideal for men and women of all ages keen to take up the sport.

Lessons are held in the Golf Academy which houses world class technology that adds a new dimension to conventional golf coaching.

Matt Bolton uses the latest swing analysis software along with the Flightscope X2 launch monitor. The Flightscope X2 launch monitor is a Dopplar Radar which measures both golf ball and club head data giving incredible

information about how your golf swing is working.

Lessons are all the more beneficial if there are good practice facilities readily available and here Rosebud Country Club also scores highly, with a modern state-of-the-art 220 metre practice range that is highly regarded. It boasts a large grass tee area and a synthetic tee where golfers can enjoy playing through the winter months.

There is a large practice chipping green and practice bunker with green. The Practice Range is open seven days a week during Golf Shop hours. Balls can be purchased from the Golf Shop.

BECOMING A MEMBER

Why does Rosebud Country Club possess one of the largest memberships of any club outside metropolitan Melbourne? It has two great courses, excellent clubhouse facilities, very friendly staff and perhaps most importantly of all, it values its members and never takes them for granted.

That word value, in fact, is important in everything we do. The Club strives to ensure those belonging to Rosebud Country Club not only get value for money from their membership, but also enjoy other associated benefits. In addition to access to two of the region's finest golf courses, they also enjoy generous discounts and rewards along with competitions, events and social functions. All golf members can access the Club's extensive Australia-wide list of reciprocal courses, with several additional reciprocal clubs located overseas. The Club has membership options to suit all golfers, with the traditional seven day membership understandably popular, with five and six day alternatives. For those short of time but still craving their weekly golfing fix, the nine-hole weekday membership is a terrific option.

Perfect for those with many other calls on their time such as self-employed businessmen or busy mums, it is a very cost-effective way to access all that Rosebud Country Club has to offer. Seasonal and short term membership are also available. There are generous discounts given to young adults in the 18-25 and 26-36 age group categories and great rates available for juniors. The Club website, www.rosebudcountryclub.com.au, outlines the current membership subscription rates. Please contact the Club on (03) 5950 0800 or email rcc.marketing@rosebudcountryclub.com.au for further information.

MEMBERS GOLF

Members at Rosebud Country Club can look forward to a full golfing calendar offering a great range of events throughout the season.

There is interclub play in the annual pennants and prestigious Club competitions where the winners write their names in the history books.

There are few things more thrilling for the club golfer than pennant golf and representing your club against its local rivals in a team environment.

Rosebud Country Club's men and women both enter two teams in their respective Mornington Peninsula pennant competitions.

Men aged 50 and over compete in the Masters Pennant and there is a Junior Pennant for golfers aged 17 and under. Members thrive on competition in all its forms and while there are opportunities to enjoy social golf, the Club calendar is crammed with competitions offering chances to win silverware. Ladies and men have their own dedicated competition days on Tuesday and Wednesday respectively, with male and female members therefore

able to enjoy competitions six days a week.

The premier event each year is the Club Championships, played over 72 holes of strokeplay for the A Grade golfers and 54 holes for other grades, as well as Juniors and Seniors. Competition is no less intense in the Women's Club Championships, with the honour of being crowned the Club's top golfer of the year at stake.

Off the course, members enjoy each other's company and there is a varied social calendar. The second Friday night of each month features a special menu, live entertainment and a members' draw with substantial cash prizes.

ROSEBUD COUNTRY CLUB PRO-AM

One of the highlights of the year is the Club's annual Pro-Am event. Generally held in March, it features a field of leading professional players from around Australia.

Featuring morning and afternoon shotgun starts, it is a wonderful day out for all concerned. The professionals battle it out over 18 holes of strokeplay for their own individual generous cash prize, while at the same time offering encouragement and advice to their amateur partners.

With amateur competitions and nearest the pin as well, it really is a great day for those who are lucky enough to play and are thrilled to be a part of.

The tournament always receives wonderful support, is well received by the participants and enables the Club to showcase its excellent facilities to a wider audience.

The event concludes with a presentation dinner at which the day's top performers are honoured.

The event was named Golf Victoria's PGA Pro-Am of the Year in 2012/2013, which was the icing on the cake for all involved and recognition of not only how expertly the event is run, but how much work goes on behind the scenes to make it a success. This award was really for the Club's excellent course staff and the army of volunteers who selflessly give their time.

JUNIOR GOLF

Rosebud Country Club is proud to be a family friendly Club and there really is no better place for youngsters to learn everything they need to know to enjoy the game.

We are committed to growing the sport we all love and introducing a whole new generation of players in a safe and nurturing environment.

Cadet Membership, aimed at golfers aged between 12 and 17 years, is perfect for boys and girls that feel ready to take to the course and attain a handicap for competition play.

This membership includes seven day access to the golf courses and the opportunity to take advantage of up to 80 hours of tuition from the Club's Teaching Professional during a membership year. The teaching program is tailored to suit all abilities.

For the younger and beginner player, there is the Divots program, which runs every Tuesday from 4pm during the school terms.

Open to boys and girls aged from eight years, everything

is provided and parents are encouraged to stay on and enjoy the Club's facilities while their children take part in this fun and rewarding program.

Places on the Divots program are limited, so please contact the Club for further information on availability. An application form is available to download from our website, www.rosebudcountryclub.com.au.

At the other end of the spectrum, high-flyers can enjoy access to pennant golf and the Club has an initiative called The Propel Foundation to assist elite players in following their dreams.

For more information on junior golf, contact the Club on **(03) 5950 0800**.

VISITORS AND SOCIAL GROUPS

Visitors wishing to come and enjoy our wonderful golf courses are made to feel most welcome here at Rosebud Country Club, being treated like members for the day.

With our ability to offer two exceptional courses for play, it naturally means that more tee-times can be made available to visitors and social groups. Even so, to ensure a memorable day it is always advisable to phone ahead to book a tee-time or to check with the Club our competition schedule for the day.

A round of golf is never going to break the bank, but those able to play later in the day should note a special twilight rate is available that represents even more outstanding value.

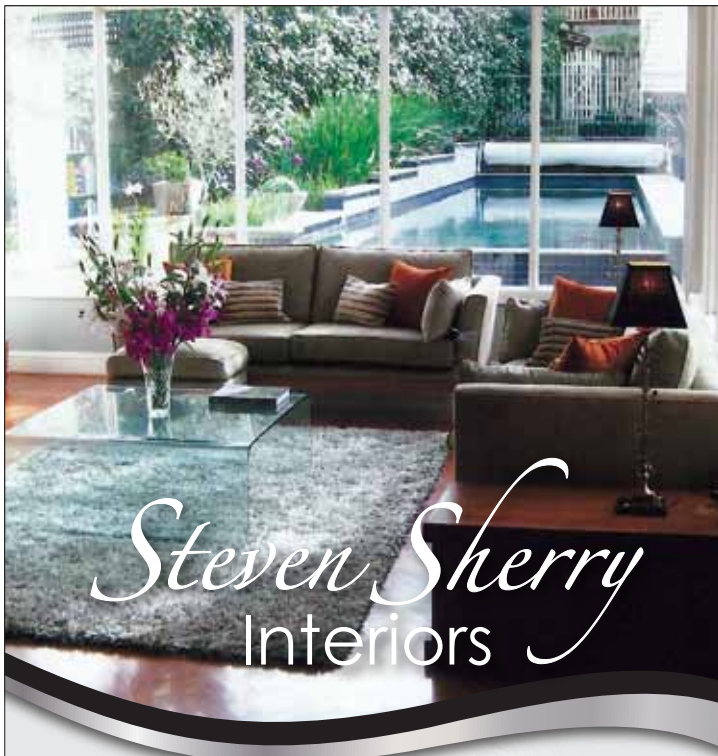

The ease of access to good quality golf, together with the exceptional service from our Golf Shop staff and the affordable green fee rates have made Rosebud Country Club a "must play" course for a significant number of social

golf groups from across Melbourne and throughout Victoria.

Social golf groups are welcome to play all days subject to availability and having 36 holes means we can cater for almost any size group. A range of well priced catering options can also be arranged for before and after golf.

We'll even arrange nearest the pin markers, longest drive markers and reserve a special table inside the clubhouse for your group to gather after the game.
