

## 4BBB Stableford – Simple Rules Guide

### What is 4BBB Stableford?

4BBB (Four Ball Better Ball), is a team event played in pairs.

Each player plays their own ball for the entire round.

On each hole, only the **best Stableford score** from the pair counts as the team score.

### How Teams Work

Teams are automatically paired as follows:

- Players in booking cells **1 & 2** = Team 1
- Players in booking cells **3 & 4** = Team 2

### How Scoring Works

Each golfer records their own score on every hole.

For the team result:

- Only the **better Stableford score** between partners counts.

### Example

Player	Stableford Points
Player A	2
Player B	3

Team score = **3 points**

When entering scores:

1. Select the player who contributed the counting score
